LOGO VARIATIONS

Main Logotype

Simplified Logotype

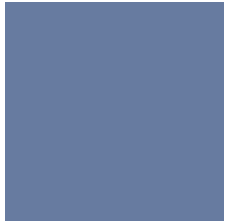

GRID STRUCTURE

The grid structure implemented relies on 0.3678 inch columns for both width or height. This structure goes off the width and spacing of the main logotype. Up to three columns are used based on the text's need, like the three column resume, or two column cover letter which are shown later in this document.

Hi, I'm Beth Anne Kaufman, and I am a Senior Graphic Design student at the University of Akron. I currently work at Superior Logo Wear as head artist, and visual instructor and in house social media and graphic design outreach for the Norton Bands. I love to explore and discover art styles in every aspect of life and my environment, pushing myself to strengthen my skills. I enjoy working with driven people working together, creating impressive and memorable results and memories.
